RE: Heather Hill Master Lake Pipe

We will do the following work:

Pond Connecting Pipe

- Excavate down to existing 18" pond connecting pipe
- Remove and replace with 38ft of 18" HDPE
- Dredge delta resulting from previous pipe
- Backfill
- Clean up

The cost for this work is.....\$ 6,194.00

Conditions:

- Sod quantity and installation price not included
- Payment is due upon completion
- We are not responsible for damage to any underground electric lines or utilities
- No costs of permitting or engineering are included

Sincerely,

Accepted:

Ben Poley
Project Manager
